

SIERRA MEADOWS

SKI TOURING CENTER

1979/80 SEASON

(714) 934-6161

Sierra Meadows Equestrian Center, located in beautiful Inyo National Forest, offers complete professional facilities for every horseman's needs. The diversified environment in the area offers meadow as well as mountain terrain riding. Lessons are available for the beginner to the advanced rider, as well as complete boarding and training for your horses.

No lift lines, crowds of people or out-of-control skiers to dodge! Sierra Meadows Ski Touring Center offers the beauty and serenity of Mammoth's mountain paradise for your family and friends. We offer classes and packages for all abilities . . . from novice to expert. Located in Inyo National Forest, all marked trails in the meadows are free to public use.

NOTE: A Donation of \$1.00 per person is greatly appreciated for:

1. Mechanical trail grooming.
2. Ski Patrol and maintenance of trails.

Spring Drive — June 14-17 — \$295.00

Fall Drive — October 11-14 — \$295.00

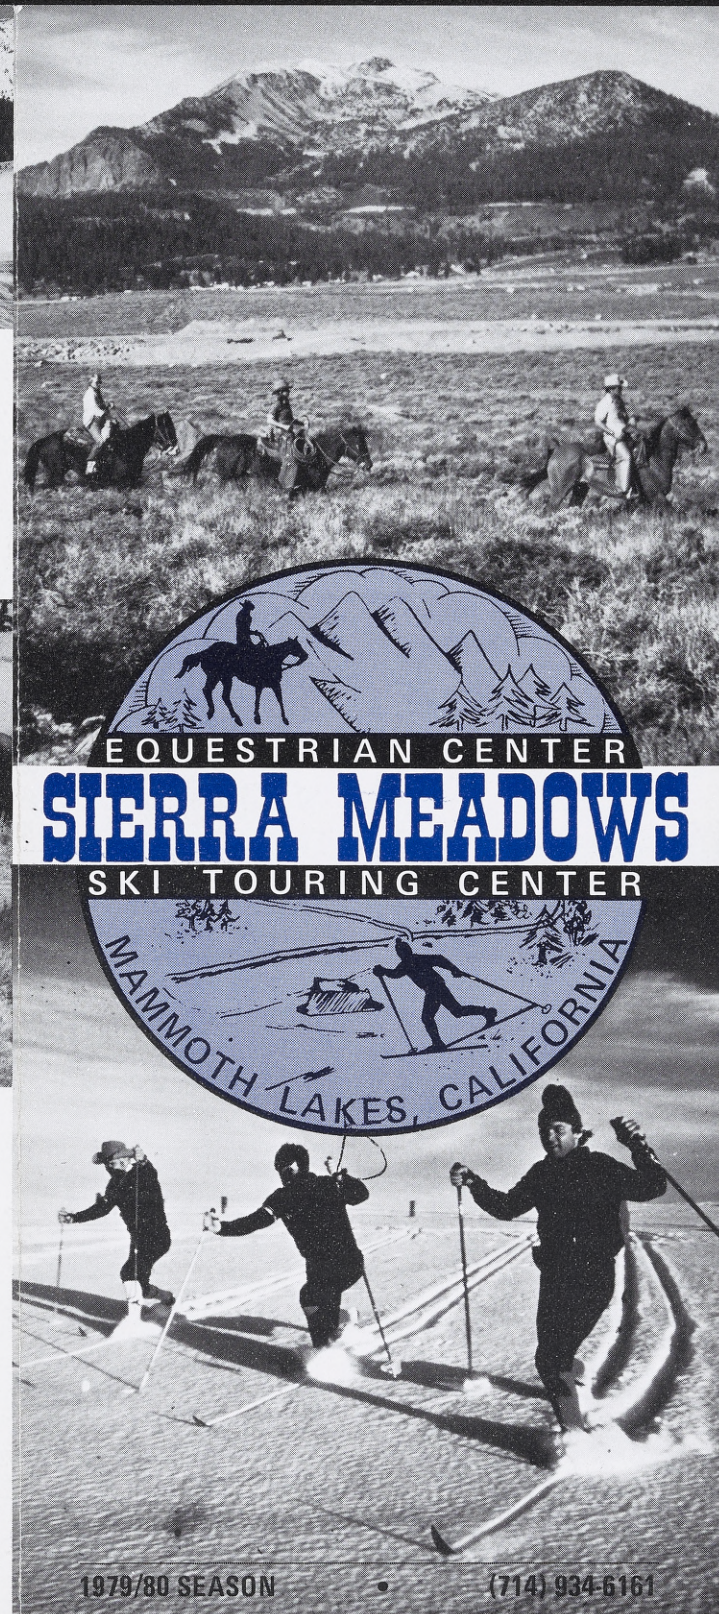

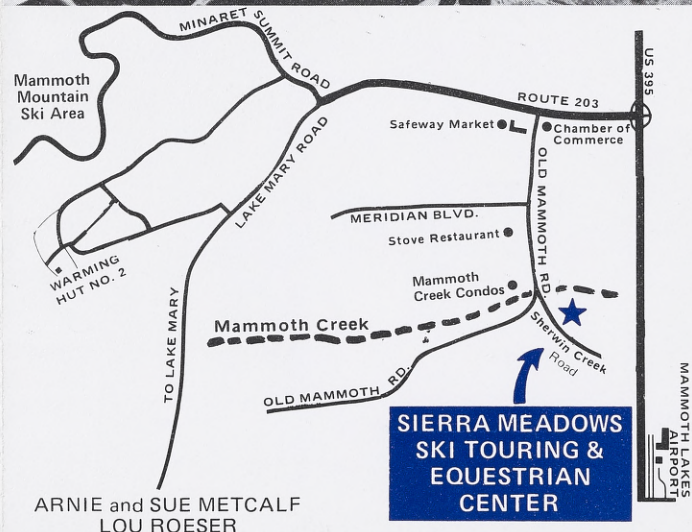

Be part of an adventure out of the Old West — a genuine old-time horse drive. We'll be making camp along the trail and eating "Chuckwagon grub." There'll be long hours eating trail dust, magnificent scenery and ornery critters. Your horse, saddle and meals will be provided by our "wranglers." Just bring your sleeping bag, personal gear and camera with plenty of film. An unforgettable experience.

The Meadows at Mammoth Lakes, California, is one of the most scenic areas in the Eastern Sierras. By winter we offer the most varied and breath-taking terrain imaginable while gliding and sliding through silent forest and open meadow. By summer the Meadows are transformed into a lush and rich homeland for fauna and flora. Beautiful mountain streams wind their way into the Owens River Valley, cozy crags stretch towards the crystal blue skies.
